

# CORPORATE PROFILE

GS Interio & Concept

## About us

GS Interio and Concept is a leading interior design firm based in Lucknow, specializing in high-quality residential and commercial space transformations.

Located in Indira Nagar, the firm has built a strong reputation for delivering “concept-to-completion” interior design solutions that seamlessly blend modern aesthetics with functional and practical living.

## Mission

To craft interior spaces that seamlessly blend functionality, safety, and aesthetic excellence, pushing creative boundaries while delivering timeless designs that endure and inspire.

## Vision

To be recognized as a trusted partner in interior design and fit-out solutions, setting benchmarks in quality, safety, and exceptional client satisfaction.

## Core Values

**Integrity:** Transparency in our dealings with clients, partners, and employees.

**Innovation:** Adopting modern technologies and creative solutions to meet project demands.

**Excellence:** Delivering uncompromised quality in design, execution, and finishing.

**Safety:** Ensuring the well-being of people and assets through rigorous standards.

**Sustainability:** Building responsibly to support long-term community development.

## Health, Safety & Environment

Safety is at the core of our operations. We adhere to Indian HSE regulations and standards across all our projects, ensuring safe working environments, minimizing risks, and regularly training our teams on preventive safety practices. Our approach also emphasizes environmental responsibility and sustainable design in line with national guidelines.
